LIKE ROME . . .

WE WERE NOT BUILT IN A DAY

It takes time to achieve perfection. Even after 115 years in the building society business we still aim for this ideal.

But in this time we have become a medium size society, among the best in the criteria which matter—

SECURITY, SERVICE, RESERVES, LIQUIDITY

So when investing money — If you are not in the mood for risks, demand the best, expect the most — write to us or call.

It says what you can't put into words.

People have been saying 'thank you' with eternity rings for over 4,000 years. When given during the first ten years of marriage, a diamond eternity ring says 'thank you' for the years that have passed and the years to come. It can be given to celebrate a fifth wedding anniversary or the birth of a child.

Choose a diamond eternity ring from some of the exciting new designs in our collection. And ask for a free copy of the eternity ring booklet.
